

# Youth Talent Development Services

## Paid Internships & College Funding

### Paid Internships

Connects eligible youth with internships in in-demand industries. Interns are paid \$13.25 an hour to gain experience in their career field.

### College Funding

College funding (up to \$7,000) is available for youth interested in approved college programs within the NKY In-Demand Industries.

Not a loan; accrues no interest

Funding can be applied toward tuition, books, supplies, and mileage reimbursement

Cuts the costs associated with approved Certificate and Associate programs

### NKY In-Demand Industries

The following are current in-demand industries in the Northern Kentucky area:

Healthcare

Advanced Manufacturing

Transportation / Logistics

Construction / Trade

IT / Business / Finance

### Basic Eligibility

The following are the criteria for funding and internships:

Youth ages 16-24 currently not in school

Pregnant / Parenting

Disability

Homelessness

Low Income

Currently In / Aged out of Foster Care

Criminal Record

## Career Readiness & Workshops

### Career Readiness & Exploration Events

Provided for high school students to learn soft skills, resume building skills, interviewing skills, and labor market information for the Northern Kentucky area.

Students rotate between a lecture-based career readiness workshop and career exploration booths. Youth explore in-demand careers and receive advice from industry experts about training options, and employment opportunities available.

### Workshops

Workshops can be customized to fit student needs and performed in a day or over a series of weeks.

Available Professionalism & Employment Workshops:

Resume Building

Interviewing Tips

Workplace Professionalism

Job Searching

Customer Service Training

Financial Literacy

Leadership
