Attendance

Michelle Cestaric reported the attendance for the Committees continues to be better. To encourage involvement, the committee reviewed the NKWIB Opportunities to get involved. In particular, the committee discussed the need to complete the Covington Career Center campaign. The need to have a “champion” from the Board to do this was identified. In terms of the Opportunities document, assuming it is an Excel document, it was suggested that as each primary action is completed, it is shown to be as such on the grid, and the sub-actions be hidden so that the history of activity is still available and new actions can be added. This will keep the size of the document more user friendly and more informative.

The Member intro at the WIB meeting will be Jamie Parsons. This will occur at the regular meeting in November as the September meeting is a “special” one.
